Preliminary Program

SfAA Annual Meeting
50th Anniversary
Sheraton-Charleston Hotel
Charleston, SC
March 13-17, 1991

Meeting jointly with the
American Ethnological Society

THEME:

Building Knowledge and Theory in Contexts of Action

TO THE READERSHIP

Having just sorted and filed photos, business cards, meeting reports and assorted other remnants of York, we prepare for applied action on the domestic front. Charleston dances before us like *une carotte glacée*! But we wax trite.

The preliminary program printed herein is an experimental instrument insofar as the *Newsletter* has no fixed format for such. We winged it. The type is small. It is columeliform. But we wanted you to have

an early view of the sessions so that you might make that last-minute decision to fly South; or, appreciate a decision already made. It is a rich offering that the Program Chair and Committee unveil.

Now...there will be a regular edition of the *Newsletter* in mid-February. Keep those cards and letters coming.

See you in Charleston.—*JEBC*

PRELIMINARY PROGRAM NOTES

- Due to the extension of the deadline for submissions, not all abstracts or roundtable sessions are included in the Preliminary Program. The organizers/chairs of the sessions/roundtables in which the abstract is scheduled will be notified, and will in turn inform presenters of the date and time of the presentations.
- Unavoidable time conflicts due to multiple participations by one individual must be resolved by the presenters, who must immediately notify the session organizers and the Program Chair of that choice. Additionally, all paper presentations in regular sessions could be limited to no more than twenty minutes.
- Roundtable Discussions are open forums which any registered program participant may attend, in the same manner as regular sessions. *No separate registration or sign-up is necessary.*
- Workshops require separate sign-up because the number of participants who can be accommodated is limited. See the workshop sign-up forms and information at the end of the Preliminary Program. Please register now. If the number of registrations for a workshop is not sufficient, it will be canceled.
- Reservations for space at an informal luncheon with long-term leaders, SfAA Distinguished Emeriti, will be available at SfAA registration in the hotel lobby.
- Registration will begin on Wednesday, March 13, in the lobby of the Sheraton-Charleston Hotel. It then will be open from 7:30 AM to 5:00 PM on Thursday, and thereafter through Saturday as needed.
- Sessions will begin by early evening on Wednesday, March 13, and will end at midday, Sunday, March 17. Morning sessions will begin at 8:00 AM.

If you cannot present your paper or roundtable session, please withdraw it before **February 1** by contacting:

CHARLESTON TRAVEL AND HOTEL INFORMATION

Lodging

The meetings will be held at the Sheraton-Charleston Hotel, 170 Lockwood Drive, Charleston, SC 28403. Telephone: 803/723-300. Make your reservations directly with the hotel. When you identify yourself with the SfAA, you will be offered the special meeting rate. The rates at the overflow hotel (Howard Johnson) are also very moderate.

Travel to Charleston

Charleston is well served by air and rail. The Society has selected Delta Air Lines as the official carrier and has negotiated very competitive rates. You may, of course, make your air travel reservations with the air carrier of your choice. Amtrak (1-800-835-8725) also provides regular rail service to Charleston.

By car, I-26 has its eastern terminus in Charleston at U.S. Highway 17, and connects with I-20, I-40, and I-95. U.S. Highway 17, a coastal north-south route, runs through Charleston and passes a block east of the Sheraton-Charleston Hotel at Ashley River, as it intersects with Lockwood Drive.

Travel in Charleston

The Society has arranged a free shuttle service to the important sites in the Charleston area. The buses will operate throughout the meeting.

The SfAA Newsletter is published by The Society for Applied Anthropology and is a benefit of membership in the Society, or it may be purchased through subscription: \$10 for U.S. residents and \$15 for non-U.S. residents. Checks or money orders may be made payable to The Society for Applied Anthropology.

Copy should be sent to: Judith Beeber Chrisman, Editor, 4133 42nd Avenue N.E., Seattle, WA 98105 (206/525-8125). All materials should include phone numbers where senders can be reached; and, affiliations for all persons mentioned in copy should be given.

Changes of address and subscription requests should be directed to: SfAA Business Office, P.O. Box 24083, Oklahoma City, OK 73124 (405/232-4902).
